Dear [REDACTED] FOIAb6

I regret to inform you that the recent table of organization which we received does not allow us an increase in personnel ceiling which we have anticipated. Further, fewer ratings at the level for which you were being considered are authorized.

While we have not been notified that your processing has been completed, it is probable that we will have to delay your actual entrance on duty until vacancy occurs. This situation has not altered our desire to have you in our organization in anyway. However, it is not possible for us to give you a definite date on which you might expect to enter on duty.

I should be glad to discuss this with you more fully if you care to drop by my office some time next week.

Sincerely,

bhr
